WORK EXPERIENCE

Anwar Trader | Raniganj, West Bengal
Territory Sales Executive

Sep 2022 – Jul 2025

- Managed a **40+ outlet** general trade dealer network across the territory, ensuring consistent coverage and route execution
- Onboarded **25+ dealers/retailers** into a repeat ordering channel via structured visits: **₹20K–30K** per order
- Increased **secondary sales by 15%** through consistent dealer engagement, in-store relationship building, and targeted outreach, strengthening long-term retention

INTERNSHIP

Bajaj Capital Ltd.
Sales & Market Development Intern

Jun 2026 – Aug 2026

- Drove **primary sales** by onboarding **12+ customers** onto the Bajaj Ameya portal, generating **₹60,000+ in monthly SIP volume** through direct client outreach and relationship-led conversion
- Built a **3-agent** insurance channel network in a Tier-3 market, converting referred leads into **SIP enrollments**
- Analyzed **customer conversion trends** via **Excel-based MIS reporting** to prioritize high-potential leads

PROJECTS/ LIVE PROJECTS

Dabur India Ltd. | Sales & Marketing Intern, Modern Trade | Amritsar

Aug 2026

- Drove **shelf placement** and **share of shelf** for 3 Odonil SKUs at Reliance, strengthening **visibility** to push **off-take**
- Sold **210+ units** across 3 Odonil SKUs using **in-store demand generation** and **promotions** up to **41% off MRP**
- Drove **secondary sales** through **POS engagement**, reinforcing Odonil's visibility against competing shelf sets

Pep Sales Stars | PepsiCo Micro-Internship | Unstop

Jul 2026

- Exceeded the **25-store market-visit** target by **auditing 30+ outlets** across **Kirana, Modern Trade and QSR channels**, tracking **SKU availability, pricing and visibility**
 - Flagged a **distribution leakage** issue: 2 branded PepsiCo coolers stocked with competitor SKUs instead
 - Benchmarked **share-of-shelf** across all store formats visited: Modern Trade held the widest PepsiCo SKU range
- Centific Premier Hackathon 2.0 | Centific | Hyderabad (Residential Program)

Apr 2026 – May 2026

- Worked as an **AI Product Strategist** on **10 BRDs** spanning **5 verticals**, from Retail to Hiring
- Proposed a **quick commerce focus** for the Retail AI Agent, backed by **Blinkit-specific** market data points
- Proposed integration of **Marketing Campaign** and **Content Creation AI Agents** to streamline workflows, backed by **HITL-based feasibility assessment**

Britannia FMCG Field Sales Project | LPU

Jan 2026 – Apr 2026

- Exceeded sales target by **~20% (₹18K vs ₹15K)** across **6 SKUs** over 2 months, via **revolving consignment model**
- Achieved **~30% conversion** across **150–200+ prospects** by **de-bundling** family packs into smaller, price-accessible units for a budget-conscious buyer base
- Drove off-peak volume through **10 nights hostel selling during exams** and an institutional tie-up.

EcoRealm – Essentials for a Greener Life | LPU

Sep 2025 – Jan 2026

- Led a **D2C sustainability project** from zero, generating **₹1.5L+ revenue** while overseeing branding, pricing, and dealer coordination
- Grew customer base to **200+** through on-ground merchandising, operating under **ambiguity** on channel positioning
- Built a **B2B sales pipeline** from scratch, engaging institutions on pricing, negotiation, and order coordination

CERTIFICATIONS/ CERTIFICATES

- On-Premise Sales Job Simulation | Redbull | Forge Jul 2026
- Area Manager Job Simulation | Walmart | Forge Jul 2026
- Microsoft Excel, Power BI & Tableau | LPU Skill Development Dec 2025
